AMERICAN LEGION BUILDING PLANS ANNOUNCED

CAMPBELL PRESS ANNOUNCES PLANS FOR CONSTRUCTION OF NEW MODERN PRINTING PLANT

The Campbell Press will soon move into a large new modern building, according to the announcement made this week by Eugene W. Barnes and Clifford T. Cassidy, owners and publishers of the second oldest paper in the county.

A 2550 square foot building will be started immediately by Oliver Jensen, contractor, on property owned by the Campbell Investment Company and located at the site of the old Campbell Cannery on E. Campbell Avenue.

Kocher and Logue have been retained as architects for the new building which is being built to specifications furnished by the Campbell Press. The new building will give the paper over twice the amount of footage as in their present location and will allow for immediate expansion as well as future needs.

Included in the new plans are space for editorial offices as well as business and advertising facilities apart from the actual printing processes. It is expected that the new building will be ready about September 1.

In late 1948 the Shopping News was started, and since the paper was taken over by Barnes and Cassidy on January 1, 1949, the new owners have taken over the Saratoga Observer and started the Cupertino Courier. Type for the Campbell high school paper is also set at the Campbell Press plant, as well as a tremendous volume of job printing for the community.

The Campbell paper was originally started in 1890 by J. Blaine, Sr., father of Judge John D. Blaine and was known as the Campbell Visitor. It was then edited by his son Frank and then by E. C. Hurlbert. The paper was next owned by Lewis Dick and A. B. Chamberlain, who in 1912 sold to Mr. and Mrs. Harry C. Smith, who changed the name to The Campbell Press. After the death of Mr. Smith, Edna Smith then edited the paper until 1945 when the paper was purchased by Mr. and Mrs. G. Martin Allen, who put in the new Whitlock press and paper folder. In late 1946 the paper was purchased by Patrick H. Peabody with Mr. and Mrs. Harry Blanchard as editors.

On October 15, 1948, the new owners were Barnes and Max L. Freeman with Freeman selling to Cassidy in 1949. Since that time the Press has expanded until it has now outgrown the present location and needs more space for future developments. A new Kluge job press is included in the new equipment installed by the present owners, as well as new type and type cabinets.

New Teachers Added To Staff Of High School

Five of the eight new teachers to be added to the Campbell Union High School teacher staff for next year have already been hired, according to Laurence J. Hill, superintendent.

They include Jim Muir who replaces Bill Perry, football coach who is now at San Jose State College as assistant football coach. Muir, who taught at Woodland High school for two years, was graduated from the University of California, where he played the position of quarterback on the varsity squad for three years, one of them under the famed "Pappy" Lynn Waldorf.

Other new teachers include William Walker, a San Jose state graduate who recently was connected with the Pacific Gas and Electric Co. Walker will teach business commerce and bookkeeping during the next year.

Also on the physical education staff will be Junior Morgan who will serve as assistant coach in sports. He has participated in football, track and basketball at San Jose State.

George Misklin will teach life science and also assist with boys' sports, and Julius Langlow, who taught in King City for seven years, will teach social studies and assist with boys' sports.

Other new teachers are to be hired and interviews are being conducted at all times in order that the teaching staff may be completed at the earliest possible time.

Planners Study Zone Requests For Campbell Area

Still under advisement following the second public hearing by the Santa Clara County Planning Commission is petition of Jack and Elsie Bond and Elliotts of Los Gatos to reclassify 15 lots in the Elliot Subdivision on San Jose-Los Gatos Road at Elliot Drive. Classification change sought is to a C-2-H commercial zone.

Final hearing is slated for June 17.

At their meeting last week, the commission denied petition of Frank Pisano property on the south side of Moorpark Avenue between Menker Avenue and Meridian Road. Pisano asked change to R-2 duplex and C-2-H commercial zoning, but planners found that the reclassification would have an adverse effect on surrounding properties. There was no showing of need by the area for the retail stores and duplexes proposed, the commission decided.

Also denied was petition of Joe Curci and Joel Lewison to rezone northwest and northeast corners of Moorpark Avenue and San Jose-Los Gatos Road to C-2 commercial. No future use was shown, and planners ruled zoning was inadvisable since proposed annexation of the area to San Jose still is pending.

Gene Rugani's reclassification petition for the northwest corner of Santa Clara-Los Gatos Road and Blanchard Drive also was denied. Rugani wanted a C-1 light commercial zone for a grocery store, but the Planning Commission objected to spot zoning in this area. Attorney Arvin Robb, representing neighboring residents who protested Rugani's petition, pointed out that tract restrictions would have prohibited the grocery store use had the rezoning been granted.

ADVISEMENT
Three other Campbell matters are under advisement and action on a fourth was continued until June 17. Advisement matters include E. R. Kennedy's petition for rezoning on Santa Clara-Los Gatos Road at Kennedy Road; Rose E. Hanger's petition for C-1 zoning on property between north Union Avenue and San Jose-Los Gatos Road opposite Cambrian Drive, and Mrs. Lee Dobbs' request for a use permit to construct and maintain a convalescent home on the west side of San Jose-Los Gatos Road between Dry Creek Road and Elden Drive, which is lot 49 of the Ware tract. All three petitions are awaiting further study. A commission staff member pointed out that the office is swamped with matters under study, and the small staff is doing its best to reduce this backlog.

Varsity Trackmen Wind Up Season; Defeat Gilroy

The Campbell varsity track men wound up the 1950 dual meet season last Friday by swamping hapless Gilroy 93-26 on the home oval. The strong Buc B's took a 67-46 decision while the C's and D's were defeated 52-43 and 56-30 respectively.

Bill Kincaid and George Croft were double winners in the A's. In the C division, Dunne, speedy freshman, topped the 50, 100 and broad jump. Ike Stephens took the 220 and hop, step and jump, while Jim Lynch captured the D hurdles and high jump.

Recently the entire Campbell squad was entered in the SCVAL trials at Fremont. Those qualifying will enter the finals Friday night on the Indian's oval at 8 p.m.

Ross R. Rittenhouse, Grand Master of the Grand Lodge of California, Independent Order of Odd Fellows, who will pay an official visit to the Morning Light Lodge on June 1.

High School Plans Going Forward; Architects Named

Clark and Stromquist, Architects, of Palo Alto, have been retained by the Campbell Union High School to draw up plans for buildings to be constructed with the \$950,000 bond issue recently voted upon by residents of the Campbell area.

Work was started by the firm Monday, and will go forward as fast as possible, it was announced by Laurence J. Hill, superintendent. Paul L. Rivers, State Department Schoolhouse Planning head Thursday afternoon to complete refinement of the plot plan so that when actual construction is started the different buildings will definitely be located in the most convenient spots. Hill estimated that it would be August 1 before the bond money is available, but in the meantime all possible work will be done in order that the students may benefit as soon as possible from the added classrooms.

Hunt Foods Plant Starts Cherry Packing

Elvan Hansell, superintendent of Hunt Foods Company, announced this week that barreling of cherries for maraschino cherries was started Thursday at the local plant, and would pick up speed as the cherry crop ripened. The cherries are of good quality and are arriving from various areas. At present Stockton cherries are being received.

Only one shift is being worked at present, but it is anticipated that other shifts will be added in the near future, as plans are being made for the packing of fruit cocktail and fruit salad, peaches, apricots and pears.

Ross Barall is serving as assistant superintendent, according to Hansell.

Cambrian School To Graduate 50

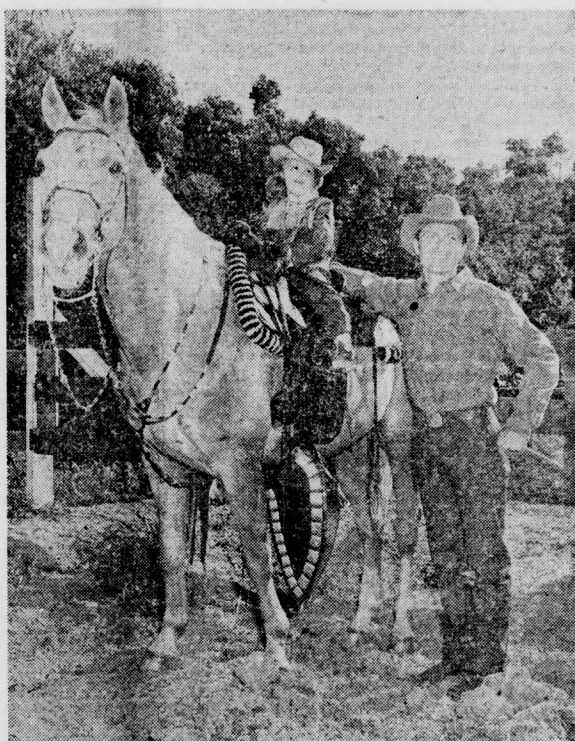

The largest class in the history of Cambrian School, totaling over 50 students, will be graduated from the school grounds Thursday, June 15, school principal D. M. Bagby announced this week.

Featuring student speeches and student music, the graduation ceremony will be marked by a speech by Laurence J. Hill, principal of Campbell Union High School.

Mr. Bagby announced the list of total June graduates will be released before graduation.

Students Hold School Carnival

Clowns, witches and ghosts will predominate on the Campbell Grammar School grounds today as the students hold their annual carnival and "dress-up" day. Students of the sixth, seventh and eighth grades will be in charge of booths on the school grounds, the money to go to the general student fund for school purposes.

The Little gal astride the big Palomino boss is all set for the San Jose "Go Western" Rodeo on Sunday, June 4, at the Santa Clara County Sheriff's Posse Grounds. The junior grade top hand is Helen Martin, 3, shown with her daddy, Gene Martin, who will compete in the calf roping event.

CAMPBELL ROTARIANS LEARN ABOUT NEWS COVERAGE — SOVIET STYLE

The leading Soviet newspaper, Pravda, consists of but four pages in its daily edition. Its circulation however, runs into the millions—it reaches the majority of the Soviet Union's two billion citizens. In addition to Pravda, which is the organ of the Soviet government, there is Izvestia, which fronts for the Communist Party—and which is almost a carbon copy of Pravda.

This very interesting information was presented to the Campbell Rotarians at their Monday, May 22, luncheon meeting by Dr. Cyril Bruener, who is professor of Russian language at San Jose State College. Forrest Reese, president, presided. He later turned the gavel over to Norman Stoner, who acted as chairman of the day. Guests present were: Mr. Archie Keesling, introduced by Bill Maderis; and Mr. Elvan Hansell, superintendent of Hunt's in Campbell.

Dr. Bruener, who graduated from Stanford University and won his doctorate at the University of Prague, continued with the information that Russian coverage of the news differs considerably from the American presentation. They publish material which is considered "good for the people," in contrast to the American system of publishing everything—and letting the public determine for themselves what is good for them.

The contents of the Russian publications consist for the most part of "pep talks," patriotic blurbs, lists of prize winners, letters to Stalin, and carefully selected news items from various parts of the Union. International news is presented, usually given with a derogatory slant to the capitalistic nations involved. An interesting example of censorship by selection occurred in one issue which devoted an entire page to Vishinsky's speech to the United Nations—but refrained from mentioning any of the other sides.

Censorship is mostly by selection of news items—and there is plenty of room for selection in a meager four pages. Even the small community newspapers in this country give more news than this, Russia's leading "newspaper."

There are no advertisements, except an occasional government advertisement. When asked why this condition existed, Bruener replied, "There is a tremendous shortage of consumer goods, so there is no need for advertising."

Plans and specifications for a \$265,000 interceptor sewer to be used jointly by San Jose and County Sanitation District 4, including Campbell, Saratoga, and Los Gatos, were presented to San Jose City Council Monday, May 22, at the regular meeting by City Engineer Harold J. Flannery.

Bonds for carrying out sewer installations in the district were voted last November. The project under consideration will bring sewage in the area into the San Jose outfall. Major share of the costs will be borne by the district.

Considers Plans For New Sewer

Plans and specifications for a \$265,000 interceptor sewer to be used jointly by San Jose and County Sanitation District 4, including Campbell, Saratoga, and Los Gatos, were presented to San Jose City Council Monday, May 22, at the regular meeting by City Engineer Harold J. Flannery.

Rev. Corwin Olds To Speak Before Los Gatos Rotary

The Rev. Corwin Olds, minister of the Campbell Congregational Church, and a former trapper in Canada, will speak of the Hudson's Bay Company and its history before members of the Los Gatos Rotary Club at its meeting Tuesday, June 6.

Ground To Be Broken Within Ninety Days, According To Mrs. Hedegard, President of Building Corp.

"Ground will be broken within the next 90 days on the Campbell American Legion Post building," Mrs. S. N. Hedegard, president of the Legion Building committee announced in a dramatic move Wednesday night at a combined Legion and Auxiliary meeting.

Announcement of the early start on the building program followed a bond selling drive which saw \$2255 raised by the members in an exciting half hour during the meeting. Mrs. Hedegard stated that voluntary labor from members of the Legion would be used to construct the 4000 square foot building on East Latimer Avenue between Ester and Winchester roads. Non-interest bearing bonds were sold by the Legion Building Corporation to members of the Legion and the Auxiliary. The building lot was donated to the Campbell post by Mrs. Hedegard. In charge of the bond selling drive was Maurice Burke of the post.

CUHS Orchestra Plays At Meeting Of Kiwanis Club

A concert originally intended for outdoor listening was transferred to the library club rooms Tuesday, May 23, when the Campbell High School orchestra entertained Kiwanis Club members.

The selections played, under the direction of Mr. Willard LeCroy were: "Bombasti March;" "Arbitration Overture;" "Castille," played by the brass section of the orchestra consisting of Warren Thorpe, Lonnie Polk, Harry Walter, Saul Estrada, Dan Livesay, and Bob Moore; "Stars and Stripes Forever" featuring a piccolo solo by Ray Williams; "Swing Low, Sweet Chariot," featuring a trombone solo by Dan Livesay; and "Trombones Triumphant."

The high school student guest of the club was Al Brannan who was introduced by C. P. Klassen.

A three-year perfect attendance pin was awarded to Kiwanis member Norman Corvelho.

"Red" Beltz, manager of the new Western Stores recently opened on Campbell Avenue, was introduced as the newest member of the Campbell Kiwanis Club.

With no dissenting votes, a resolution was passed by the club to file papers of incorporation. They were prepared by Attorney Martin S. Walsh and will take effect as soon as possible.

Out-of-town visitors to the meeting were Hal Moriarty, Chester Bartlett, Art Hannibal, and John Halstead of San Jose; William Capener of Los Gatos; and Archie Keesling of Honolulu. Jack Barrett, recently appointed music instructor to the local elementary school, was also introduced.

In place of the regular Tuesday meeting the week of May 29, an inter-club meeting will be held in San Jose Monday, May 29.

Martin S. Walsh Endorsed by Grange

Members of the Orchard City Grange, 14 in number, have officially endorsed Attorney Martin S. Walsh for the office of Justice of the Peace by signing a petition to note to citizens of Campbell their regard for his "required knowledge and experience to fully qualify him for the office of Justice of the Peace of Campbell Township."

Walsh has been a prominent local attorney-at-law for many years. A native of Santa Clara Valley, he was graduated from the University of Santa Clara law school. He has practiced law entirely in this area, and is a former Justice of the Peace in the city of Santa Clara. Walsh is a member of the state bar and the county bar associations.

Qualifications for Campbell Justice of the Peace are that the contender must have resided in the town for one year, and must be a United States citizen. Campbell is one of the few townships where a justice of the peace need not be an attorney, although it is a judicial post.

Patrol Members Aid Search

Members of the Campbell Legion Patrol were called by Sheriff Hornbuckle Saturday afternoon to assist in the search for a six year old-boy lost on Mt. Madonna. The child had wandered away from a group of boys hiking in the mountain area.

The four hour search was culminated by the discovery of the child who was unharmed by his ordeal. On Sunday, May 21, members of the Legion Patrol fired on the range with the Santa Clara County Sheriff's Aero Squadron in Palo Alto.

Prior to the meeting, members of the post and auxiliary and their guests enjoyed a pot-luck supper on the occasion of the Past Commanders' Night for the post and also honoring their sixth birthday. Dinner arrangements were under the direction of Mrs. Rex Kaber and flower decorations were made by Mrs. Harold Peck.

Guests at the meeting and dinner included County Council Commander Clay Sheets and Mrs. Sheets of Willow Glen; Chef de Gare Forty at eight, J. B. Sikes and Mrs. Sikes; 13th District Commander Herman Newman and Mrs. Newman of Los Altos; 13th District Auxiliary President Mrs. Pierrie Casarang and Mr. Casarang. The meeting was presided over by Post Commander Leo Park and Auxiliary President Mrs. William Burch.

During the meeting it was revealed that a piano, purchased by the Auxiliary, was now in the Palo Alto Veterans Hospital. Auxiliary and Post members accepted an invitation to attend the Charles Wallace post initiation and installation in Burbank June 1, and also made plans to attend the Methodist church May 28, Memorial Day Sunday.

Plans were also completed for the Legion Whist party to be held in the IOOF hall Saturday evening, May 27 at 8:30 p.m. Many special fancy work prizes will be offered and refreshments will be served. On Memorial Day, May 30, members of the Auxiliary and Post will participate in Memorial Day services at the Palo Alto Veterans Hospital at 10:15 a.m.

Entertainment during the evening was furnished by a group of boys who gave a tumbling exhibition under the direction of Herald Adams.

The next meeting will be held on June 14 at which time both the Post and Auxiliary will hold nominations and election of new officers.

Grange Members Hear Del Mutolo, Halstead on Water

Members of the Orchard City Grange of Campbell, heard R. O. Del Mutolo, and Jack Halstead, candidates for Assemblyman, 29th district, speak on the vital water situation in Santa Clara County at their Tuesday night meeting in the IOOF Hall.

Other guests at the meeting included Frank Bishop, Master of the Mt. Hamilton Grange and guests from Cupertino, San Jose, Coyote and Gilroy. Speaker for the evening was Martin Walsh who gave a talk on California history, starting with Sir Francis Drake in 1579 and continuing through to 1848 when the first state flag was raised. Lecturer W. Youngclaus then explained that anyone can join the Physician's service regardless of income, but if the annual income is over \$3600 a year, the physician may charge an extra fee.

Mrs. Charles Scarper, chairman of the Community service committee project, reported on the plan to replace the fifty young trees along the highway which were damaged by brush burning. Refreshments were served under the direction of Mrs. Willie Windram, after which folk dancing was enjoyed by the group with Terry Rowe and Mervyn Keesling instructing the dancers.

Santa Clara County Finds 72 TB Cases

Out of 29,308 persons X-rayed for tuberculosis the past year, the Santa Clara County Tuberculosis Association reports that 72 proven active cases were found through the Mobile X-ray unit.

Breaking the larger figure down, the association reports that 7168 persons were X-rayed in schools and colleges, 2420 were X-rayed in industries, and 19,720 were X-rayed in community surveys.

Those persons found to have arrested tuberculosis numbered 136; those with suspicious disease totaled 115; and those with other chest conditions numbered 126.

The mobile X-ray unit will continue its county-wide schedule during the present fiscal year. The association will also continue to cooperate with health department programs of community health education by supplying pamphlets, posters, sound films, exhibits and books.

OES To Entertain Matrons, Patrons

Campbell chapter, Order of the Eastern Star, will entertain matrons, patrons and guest officers Friday, June 2, in IOOF Hall with a program prepared by Marie Sues, chairman for the evening. Deputy grand matrons will also be honored.

At the Memorial meeting held Friday, June 19, Worthy Matron Ellen Arnold and Worthy Patron James Arnold presided. Grand officers who were introduced were Virginia Currie, the Deputy Grand Matron of District 39 and Sue Miller, the Grand Representative of Wisconsin in the jurisdiction of California. Mrs. Eva Fuller was chairman assisted by Luella Ryan, Catherine Jones, and Josephine Henley.

The first airplane flights from San Francisco to San Diego were made by Silas Cristoffenson on February 16, 1914.

Teen-Age Drivers Conduct Survey For Adult Opinion

A survey carried on in Campbell High School driver training classes under Instructor Robert Culp resulted in interesting answers for students who questioned some 520 adult drivers regarding their opinions of youthful drivers.

Results indicated that adults feel the teen-age group should not be fully trusted and thought that licenses should not be issued to persons under 20. The adult drivers questioned averaged 17.5 years of driving experience.

The interviewees had averaged one and a half accidents in which damage exceeded \$100. Culp remarked that it was only a small percentage of the group who raised the average that high.

In response to a question regarding the value of high school driving lessons, 72 percent of the interviewees considered it good, 15 percent fair, and 13 percent poor. The students found that on the whole there was very poor general knowledge of the state law passed in 1948 establishing financial responsibility in the event of an accident. They also found that relatively few people were aware of the basic speed law which declares that speed should be in accordance with driving conditions.

Varsity Baseball Club Defeats Faculty Players

Campbell High's varsity team defeated the male faculty members Wednesday May 17, by a score of 10-4. The batteries of the game were Mr. Bert Robinson and Ronnie Gilpatrick for the faculty while Ronnie Bacon and Buz Freitas composed the varsity's battery.

Robinson led the faculty at the plate by getting a single and a homerun in two tries, while Buz Freitas led varsity by scoring a triple and homerun in three tries.

Other members of the faculty nine were Lee Dugan, Lawrence Newberry, George Miskulin, Oliver Upton, Kenneth Brown, Wayne Fontes and Lou Ackin.

Schools, Stores, To Close To Observe Memorial Day

Schools and stores will be closed in Campbell on Memorial Day as the entire nation pauses to pay homage to those gallant men and women who died that we might live. J. M. Dahl, president of the Campbell Chamber of Commerce stated "that nearly all stores will be closed during that day."

Memorial Day observances will not be held in Campbell proper, but members of the American Legion Post and Auxiliary plan to go to the Palo Alto Veterans Hospital at 10:15 a.m. for a ceremony there.

Try the Campbell Press for your JOB PRINTING Needs!

Burglars Invade C. C. Freude Home

Mr. and Mrs. Charles C. Freude, 161 N. Winchester Road reported Friday that while they were gone to Reno over the last weekend, burglars broke into their garage and stole over \$100 worth of fishing tackle, poles and reels which were stored in the garage. The theft was not discovered until Thursday evening.

In the future, Freude announced, his large dog would be quartered in the garage when the family was away, and he would not be responsible for any damage inflicted by the dog in the event the garage be broken into again. The theft was reported to the sheriff's office and also to the Campbell Legion Patrol.

Campbell League Games Played

Friday, May 19's softball game between Davenport Electric and Maderis' Market resulted in a Maderis' win, 7-3. The same night, Bettencourt versus the Farmer's Union, Bettencourt won, 6-0.

Monday and Tuesday night games were called off because of too much wind.

Western Gravel defeated Carroll's Flower Shop in Watsonville, 3-0, Wednesday night. The same night, the Oddfellows defeated the Veterans of Foreign Wars, 5-4.

The Purple Knights defeated the 7:30 Club Thursday night 7-1 while Netops Council lost to Bettencourt 6-2.

Fashion Show

Going on vacation? Then you should see the latest in vacation styles, shown at the Cambrian Home and School Fashion Show, Friday, June 2, 1:30 p.m. to 3:30 p.m. in the school auditorium.

Mrs. George Petrea and her capable committee assure you a pleasant afternoon with refreshments being served after the show. Children will be cared for during the afternoon. An interesting show of cotton fashions from 6 to 60 has been promised by the committee members, with the selections being provided by Rachel's and Helen's Juvenile Shop.

School Journalism Workshop Planned

A four-day School Journalism Workshop will be held at San Jose State College from June 27 to 30, inclusive, under the sponsorship of the college journalism department. It is intended primarily for high school and junior high school teachers of journalism, for advisers of school newspapers and yearbooks and for elementary school teachers and prospective teachers interested in school publications.

During the four-day workshop session all phases of editing and publishing school newspapers and yearbooks will be demonstrated with actual participation in many of the steps, such as taking pictures, making layouts and writing copy and headlines.

A number of firms serving scholastic journalism will exhibit their products and explain their services.

One and one-half quarter units of college credit will be given to those taking the course, many of whom will remain at the college for the Summer Session opening July 3.

The workshop teaching staff will be composed of Dwight Bentel, head of the college journalism department and journalism education editor of Editor & Publisher; Mrs. Dolores Spurgeon, assistant professor of journalism at San Jose State College; and Douglas Murray, publications advisor at Turlock High School.

RECEIVES WINGS
Lt. Ralph A. McKee Jr., son of Mr. and Mrs. Ralph A. McKee of San Jose has been awarded silver wings of a U. S. Air Force pilot. McKee, air force recruit of a year ago, is a 1946 graduate of Campbell high school.

Tie For Third

Behind the two hit pitching of John Oldham, the Campbell Bucs baseball varsity moved into a tie for third place with Live Oak in the final SCVAL standings by defeating Los Gatos Wildcats 7-1 on the Cat's field Thursday, May 18. Oldham only gave up two hits during the entire game and collected 13 strikeouts.

One Dollar Per Vote Is Estimate Of June 6 Election

It will cost an estimated two and one-half million dollars for California's June 6 primary election or approximately one dollar per vote, it was estimated by Secretary of State Frank M. Jordan. Jordan's prediction was based on results of the last three gubernatorial elections which averaged slightly over 52 percent. He said he doubted it would reach that figure, saying it appeared at this time not more than one half of the nearly five million registered voters would cast their ballots.

In 1938 the primary managed to draw out over 59 percent of those qualified. In 1942 it dropped to 47.16 percent and in 1946 climbed to 50.75 percent.

Home Ec Group To Hold Pot-Luck At Next Meeting

The Campbell branch of the Agricultural Extension Service will end its monthly demonstration meetings with a home demonstration of up-to-the-minute methods of ironing at its last meeting Friday, June 2, at the Methodist Church parish house. The meeting will start at 11:30.

Following the demonstration, a pot-luck luncheon will be served and social hour will follow.

Mrs. Carolyn Gilbert is chairman of the group and her assistants are Mrs. Catherine Bykowski, Mrs. Ann Johnson and Mrs. Edythe Flagg.

All women in the Campbell area are invited to attend the meeting.

Grannis Furniture Plans Move Into Larger Quarters

Final preparations are being made this weekend by the Grannis Furniture company at 375 E. Campbell Avenue for their move June 1 into their new and larger quarters at 398 E. Campbell Avenue, across the street from their present location.

"Growing with Campbell," is their slogan during the moving days, and they are featuring a gigantic sale of all stock on their floor, in order to reduce their moving problem. Grannis Furniture features top quality for the lowest prices with small down payments and small monthly payments with liberal trade-in allowances on old appliances. Paul Grannis, who has had 22 years experience in the furniture business, has been in Campbell for two years, and brings local customers a complete interior decoration service at no extra charge.

The new store will be three times larger than their present location and Mr. Grannis stated that it would be the largest store in Campbell. The firm will remain open days and evening, including Memorial day until they are established in their new location.

Harry D. Anderson Succumbs Here

Harry Delbert Anderson, 67, resident of Campbell for nine years, died at his home on Casey Road Wednesday after a long illness.

Mr. Anderson was the husband of Ora Anderson, father of Alta Molyman, Santa Clara; June De Caroli, Oakdale; and Ralph H. Anderson of San Jose, and the brother of Kyle Anderson of Oakdale.

Funeral services were conducted at 10 a.m. today from the Place Funeral Home, Los Gatos. Interment was at Los Gatos Cemetery.

Local Jaycees To Install Heads At Barbecue

Recently elected officers of the Campbell Junior Chamber of Commerce will be installed at a barbecue meeting Wednesday, June 7.

Officers for the year are Frank Pierson, president; Ray Harris, vice-president; Dick Lazzarini, treasurer; Don Graciar, secretary; Kenneth Roberts and Dick Gray, directors; and William Halls, alternate. Roberts is outgoing president.

"SOMETHING ELSE WE'RE PROUD OF MISTER!" HOW FAR WILL COUNTY GOVERNMENT GO?

That old adage—"It all depends on whose bull is being gored," is so true.

Reprinted herewith is an excerpt from a political advertisement published in San Jose against the candidacy of two nominees for city councilman because they were for municipal ownership of public utilities . . . "a definite socialistic doctrine that completely abrogates the right of free enterprise," says the advertisement.

We agree. But right under the noses of these same people in San Jose making this cry against socialism in their city government, Santa Clara County is already practicing "a definite socialistic doctrine that completely abrogates the right of free enterprise," though nobody gives a damn—but the small newspapers and print shop owners—and we are hollering because with our tax money and yours the county supervisors have bought machinery and set the county up in the printing business, competing with private enterprise. So, in this case, it's *our* bull that is being gored.

Of course they'll tell you that the county is only doing county printing, the same county printing which has been done under the system of free enterprise for so many years—printing which private industry should be doing — **UNLESS YOU WANT YOUR COUNTY TO FOLLOW THE SOCIALISTIC TREND.** Do you?

They tell you also that the county saves money by setting up in the printing business and competing with private industry. How much do you think you will be saved as a taxpayer? Unquestionably it has had its effect in disturbing the economy of the printing industry in the county and undoubtedly this disruption will cause the county some loss in taxes.

Reading on, here is what those decrying the thought of socialism in San Jose are saying in their political advertisements. It could apply just as well to the county board of supervisors or to other county officials who are starting the county on a "definite socialistic doctrine" . . . Here is what they say:

"England was not always Socialistic. There was a time when the rights of the individual were as respected there as they are here today. Then things began to happen, little men got into public office, little men with big ideas, and before England woke up, Socialism had wormed its way into its very life stream, with roots so firmly embedded that it is questionable whether they can ever be removed.

"It could happen here. It usually begins with little men, little men with big ideas. But do they tell you about these big ideas at the start? Definitely no. They hide behind a sham of public service, they proclaim their unselfish motives, they boast the unblemished record of their antecedents. They fool the unsuspecting public into believing them . . . and then . . ."

So . . . it all depends on whose bull is being gored. We think that when county or any other government sets itself up in business and competes with private enterprise, everybody's bull is being gored somewhat. Just a little at first perhaps, and hardly enough to notice it, but after a while you wake up and find what a strange doctrine of government your county is following. It creeps in gradually.

Now, maybe we are wrong. Perhaps the people don't care how their county government goes, or they could be in favor of this move to usurp the function of private enterprise. If so, why stop with the printing industry? Why not the county set up a commissary, through which everything it uses should be purchased? Why not make its own furniture, have its own insurance agency, automobile dealership? There's no end to what the county government might do to compete with private enterprise if the supervisors so desire.

Sure—our bull is being gored, and we know nobody cares how the goring is being done until their bull gets a few jabs by the same method. So you see, what we're trying to do is to get your bull gored, too, as ours is, in the hope that you might become interested in why and how it is being done, and maybe stop it before your county government goes all the way in adopting that "definite socialistic doctrine" which a group of San Jose people say they are afraid might happen in their city government if certain candidates are elected there.

—Reprinted from the Los Gatos Times.

Candidate Halstead Urges Action To Obtain Water Now

John H. Halstead, candidate for state assemblyman, predicted water shortages here by September will reach the emergency stage. Halstead, in speaking to the San Jose Chamber of Commerce this week, urged immediate action to gain additional water supplies for Santa Clara Valley from the Calaveras Reservoir and through the construction of the San Lucas dam on the Salinas river.

For the past three dry years the critical water shortage has been developing, Halstead stated. "Years when we've merely talked about the terrible situation. During that time San Francisco has had no need of the water lying idle in the Calaveras Reservoir—water that would almost exactly balance the pumping loss here—water that originates in the northeastern Mt. Hamilton watersheds of this county and should be returned here now that San Francisco gets its water from Hetch-Hetchy.

Telling of a plane survey made by him of the Calaveras Reservoir, Halstead said he noted the water has become a dark greenish brown, and unfit to drink, yet it would be brought by gravity canal through Niles Canyon to replenish underground supplies.

The San Lucas Dam and canal will constitute a major proposal in the state water resources report now being compiled, he added.

This report won't be out until November, he emphasized, while "we should get the state started designing and building at once. Every construction season wasted finds us that much farther behind."

Of the 75,000-acre feet of Salinas river water to be stored in the dam, the Salinas area would have prior riparian need for 25,000 acre feet, leaving 50,000 acre feet available for this valley," he stated. A gravity canal from the dam could follow up the eastern foothills of this valley to replenish underground storage at gravel cones along the way.

Halstead said the report will show that the Gilroy area is running behind 7,000 acre feet of water per year, and will disprove the common belief that the southern section of the valley is not suffering from water shortage.

"We have been told that we are running 40,000 acre-feet in the red each year in the northern part of the valley. The report will show that this figure is closer to 60,000 or 70,000 acre-feet.

"A large number of farmers now know what a water emergency is. They are now hauling water from long distances because their wells are dry. By November the emergency will be apparent to the valley as a whole. We can't wait that long to act."

There Are Always Two Sides

Conscientious Employees Safeguard By Charter Say Original Freeholders

Civil service provisions of the Santa Clara County charter approved by the voters in 1948 constitute a step forward for both the county and the employees, E. B. Scott, business representative of Machinists' Lodge No. 93, and chairman of the civil service committee of the original Board of County Freeholders, declared today.

"The civil service provisions of the charter were written with two positive objectives in mind," Scott said. "One was to get the ablest and most competent employees and officers available for the County.

"The other was to improve the status of these employees and officers through better salary structure and through promotion.

"No county employee should fear the charter. If the charter had gone into effect two years ago, the able and conscientious employee would now find his status improved."

At the same time, Scott demanded: "For whom is our county government being run—for the selfish interests, or for all the people—?"

The charter approved by voters in 1948 never became operative because its opponents immediately threw it into court on a minor technicality—a transposition of paragraphs in its legal publication. The case is still pending, and a new Freeholder election is set for June 6.

All 15 original Freeholders have been endorsed for re-election by the Citizens' Charter Movement, a non-partisan, countywide organization to promote better government. Charter opponents, under chairmanship of Peter J. Mancuso, president of Santa Clara County Employees Association, have put up an opposition slate.

The Civil Service Committee of service systems, Scott said, and the charter incorporates those provisions proved most successful.

Scott pointed out that jobs of able, conscientious county employees, together with their rank and pay, are amply safeguarded by charter provisions.

"What the charter does is to set up a chain of responsibility," Scott explained. "The department head is responsible to the county Executive, and the County Executive is responsible to the supervisors; and, just as they are now, the supervisors are responsible to the voters.

"If the head of a department is to be responsible to the County Executive, who, in turn, is responsible to the supervisors and to the voters, the department head must the original Board of Freeholders made a careful study of other civil have authority along with responsibility.

"But an employee who is dismissed or reduced in rank or in pay had the right, under charter provisions, to have a public hear-

ing before the personnel board.

"What department head would be so foolish as to court a public hearing on his department, by dismissing one of his appointees, unless he had an extremely good reason? The answer is obvious.

Scott emphasized that County employees had been invited by the original Freeholder Board to attend hearings on the charter and to give suggestions and criticisms.

CALIFORNIA SPEAKS

Statements By Interesting Californians

Whitfield Griffiths, publisher of the Napa Register—"The world is a big ball which revolves on U. S. taxes."

Charles E. Pollard, Anaheim, State highway expert—"A lot of talent, ability and brains go into hot rods—we should help it develop along safe lines."

Liaquat Ali Kahn, Pakistan Premier, in Calif.—"Democracy does not mean freedom to govern as you choose, but the freedom to be governed as you choose."

Mel McClelland, S. F. straight-A high school student—"If I have to keep a seat warm all day, I might as well learn something."

Old Charter Would Deny Franchise, New Freeholder Candidates Charge

"Double talk on the part of the original freeholders concerning the defective charter which they proposed to the people of Santa Clara county is undermining public confidence in this original group of bunglers," Timothy J. Sullivan, one of the New Freeholder candidates, declared recently following a campaign meeting of the New Freeholders.

"When the original freeholders talk about 'home rule' and putting our county government back in the hands of the people and the 'need for clarification' of some sections of their defective charter, they simply are indulging in double talk and trying to hide behind a smoke screen of generalities," Sullivan continued.

"Why don't they come out and admit that Article VI of their defective charter takes from the people their right to vote for the Sheriff, Coroner, County Clerk, and a dozen other important county officials?" Sullivan asked.

"How can they say they are putting the county government back in the hands of the people when actually they are taking control of our county away from the people and opening the door to dictatorial rule by a county manager and one or two members of the Board of Supervisors?"

"What is all this talk about clarification? Article VI, which takes away the people's right to vote, and Article VIII, which makes a joke out of our county civil service, need changing, not clarification. These sections of the charter need to be struck out altogether and new sections written. In fact, the whole defective instrument proposed by the original freeholders should be scrapped and a new sound and sensible charter drafted."

Sullivan also made it clear that he and the other 14 candidates of the New Freeholders ticket do not represent the county employees or any other special group in the county.

"We have no axe to grind except to fulfill our duties as responsible citizens of this county who are determined to stop this outrageous attempt to mislead the people into throwing away their franchise," he concluded. "As the old saying goes, why should we trade our birthright for a mess of pottage?"

Letters to the Editor

Dear Editor:
We people of the San Tomas District are faced with the same problem as most California communities, namely; that of trying to keep our fast-growing youth population occupied with healthy recreational activities.

To further finance this cause, our several service organizations annually combine their efforts to stage a carnival, fair and show. In the past we have always enjoyed and deeply appreciated the splendid cooperation of the Santa Clara Valley newspapers and radio stations by their help in publicizing this event. It is with this in mind that we are again seeking your assistance in making this year's carnival a success.

In the following paragraphs are some of the pertinent facts of our carnival.

The San Tomas Elementary School is part of the Campbell Union School District and is located one mile west of the Santa Clara-Los Gatos Road on Allendale Avenue.

Although the San Tomas School accommodates but the first six grades, there are more than six hundred enrolled.

This carnival is jointly sponsored by the San Tomas PTA, San Tomas Men's Club, and the San Tomas Improvement Club. Date for the event has been set for Saturday, June 3, starting at 1 p.m. and lasting until midnight.

All the usual games and refreshment stands ordinarily found at carnivals will be much in evidence, plus a concert by the Campbell Union High School band, an amateur talent show, a hobby show, pony rides, etc.

Merchants in the San Tomas-Campbell-Los Gatos area are donating many fine merchandise prizes and the grand prize which will be given at 10:00 p.m. Saturday evening is a 1950 121 screen Packard-Bell Television set.

All proceeds from this event will be used to buy additional playground equipment and to sustain an organized and supervised summer recreational program.

Our rapidly growing community of some four thousand people will be very grateful for whatever part you can play in assuring the success of this undertaking.

George R. Flood, publicity chmn.

Campbell Press,
Campbell, California.
Dear Sir:

May I take this opportunity to thank you for your service and assistance in making the Cambrian May Festival a success. It is a pleasure to have people and organizations at hand who will "pitch in" and further the work of our youth groups.

Your assistance in helping us publicize the Festival was greatly appreciated.

Very truly yours,
D. M. BAGBY,
Secretary, Cambrian May Festival.

"Doing dishes" is a cinch in our new electric kitchen

"Let's plan your new electric kitchen so you'll have more free time to enjoy life!" said our helpful appliance dealer. And that's exactly what we did. Today that dream kitchen is a reality, and two of its best features are the automatic Dishwasher and Garbage Disposer... a wonder team that "does dishes" in such a quick, easy, sanitary way that it's no chore at all. A flick of an electric

switch and dishes and glassware come out sparkling clean... food waste disappears down the drain safely and completely. These units, along with a new electric refrigerator and range, ventilator, proper lighting and ample appliance outlets can turn an everyday kitchen into a sparkling, pleasant, easy place to work... at a cost far less than you'd think.

Planning to build or remodel? It will more than pay you to consult your electric appliance dealer at once. With his trained experience he can show you how to save on installation, how best to use your space.

See your dealer

Campbell Schools Anticipate Large Graduating Class

Commencement ceremony at the Campbell Union High School will be held Friday, June 16, for approximately 220 graduates at the school's football field. The graduates will be dressed in traditional caps and gowns, boys in black, and girls in white.

The Campbell Elementary School will graduate two eighth grade classes, approximately 70 students, Wednesday, June 14. About 110 more eighth grade students will be graduated Wednesday, June 14, making the Spring, 1950, graduating class the largest in the school's history.

Moreland School's graduating class will number about 23 students. The ceremony will take place Thursday, June 15.

Students at Cambrian School's graduating class, numbering some 54, will be graduated from the new stage to be completed in time for the Friday, June 16, ceremony.

The total potatoes surplus handled by the Department of Agriculture in 1947 was 133.6 million bushels.

5-12, 19, 26-50

NOTICE TO CONTRACTORS CAMPBELL UNION ELEMENTARY SCHOOL DISTRICT.

Notice is hereby given that sealed proposals will be received by the Superintendent of the Campbell Union Elementary School District, Campbell, Santa Clara County, California, until Thursday the 8th day of June, 1950, up to the hour of 8:00 p.m. of said day, when said proposals or bids will be opened at the office of said superintendent in Campbell, Santa Clara County, California, for the relighting and electrical additions of a building on the property of the Campbell Union Elementary School District at Campbell, Santa Clara County, California, according to the plans and specifications prepared by George S. Erskine & Associates,

Consulting Electrical & Mechanical Engineers, Menlo Park, California.

Plans and specifications may be obtained at the office of the Superintendent of the Campbell Union Elementary School District, Campbell, Santa Clara County, California. Bids must be on forms to be obtained at the office of the Superintendent and signed by the bidder, accompanied by a certified check for at least 10 per cent of the amount of the bid proposal, drawn on a responsible bank and made payable to E. L. Farnham, Clerk of the Board of Trustees of Campbell Union Elementary School District. Said check to be retained by said School District as agreed and liquidated damages should contractor to whom the contract or contracts be awarded fail to enter into the contract, after award, or to give bonds required for the faithful performance of the contract or any contract required by law.

The Board reserves the right to reject any or all bids.

Dated: May 13, 1950.

Ross C. Trowbridge, President.
E. L. Farnham, Clerk.

May 19, 26; June 2, 1950.

NOTICE TO BIDDERS

Notice is hereby given that the Board of Trustees of the Campbell Union Elementary School District will receive sealed bids or proposals up to 8 o'clock p.m. of the 8th day of June, 1950 for furnishing to said District one school bus.

Said bids to be in strict accordance with the following specifications: namely for the purchase of one school bus, coach type, 235" wheel base—seating 92 elementary students. Underbody mounted engine equipped as follows: 184 H.P., 504 cubic inch displacement motor, seven (one spare) 1100 x 20 tires and tubes on Budd wheels—lug-gage compartment in rear—heavy duty Kysor front mounted heater and hot air defroster combination. All bids must meet the requirements of the California State Board of Education, relating to construction and design and to meet all 1950 regulations.

All bids shall be in sealed envelopes clearly marked "Bids For School Bus" and filed with the District Superintendent of said District on or before 8 o'clock p.m. of the 8th day of June, 1950, at which time they will be publicly opened, read and considered at the Administration Building of said District—111 North Third Street, Campbell, California.

The Board reserves the right to reject any or all bids and to waive any irregularity in the matter of any bids. The Board shall be the sole judge of the suitability and fitness of the equipment offered by any bidder and taking all elements into consideration may award the contract to other than the lowest bidder.

An alternate bid is to be submitted to include a 1933 fifty-four passenger Studebaker bus as part payment.

BOARD OF TRUSTEES
Campbell Union School District

Acting Clerk.
May 19, 26; June 2, 1950.

IN THE SUPERIOR COURT OF THE STATE OF CALIFORNIA IN AND FOR THE COUNTY OF SANTA CLARA SITTING IN SEPARATE SESSION AS A JUVENILE COURT.

No. 13404

CITATION

In the Matter of the Abandonment of JOAN GENEVIA GOUGE SHERMAN LLOYD GOUGE, JOHN EUGENE GAUGE, Minors. TO: BESSIE D. SCHALLICH and SHERMAN A. GOUGE.....

GREETINGS: You are hereby notified that

there has been filed in the above-entitled Court a verified petition showing that the above-named persons come within the provisions of Section 701 of the Welfare and Institutions Code of the State of California.

By order of Court you are hereby cited and required to appear before said above-entitled Court at the Courtroom of said Court, located in the Juvenile Court Building, North Market and St. James Streets, San Jose, California, on Friday, July 14, 1950, at the hour of 2:00 o'clock P.M. of said day.

WITNESS, Wm. F. James, Judge of said above-entitled Court and the seal of said Court this 12th day of May, 1950.

(SEAL)

ATTEST my hand and the seal of said Court the day and year last above written.

E. T. McGEHEE, Clerk.

NOTICE TO BIDDERS

The Board of Trustees of the Cambrian Elementary School District, Campbell, California, will receive sealed bids until 8 p.m., on the 8th day of June, 1950, for the purchase of school furniture.

All bidders must use the bid form provided by the School. A copy of the Bid Form and the Specifications may be had at the office of D. M. Bagby, District Superintendent, Cambrian Elementary School District, 481 East Casey Road, Campbell, California.

The Board reserves the right to reject any or all bids and to waive any formality.

BOARD OF TRUSTEES
Cambrian Elementary School
By Frank L. Steindorf
Clerk of the Board
May 26; June 2-50

P. C. 118

NOTICE OF HEARING

NOTICE IS HEREBY GIVEN that the County Planning Commission of the County of Santa Clara, State of California, did, by a resolution of said Commission adopted on the 17th day of May, 1950, propose certain amendments to the Zoning Ordinance, Ordinance No. 120 of the County of Santa Clara, and did declare it to be its intention to consider said proposed amendments in the manner provided by law, which proposed amendments are as follows:

To amend Sectional District 10-ba of the Twenty-second Unit of the Zoning Plan to reclassify certain property located on the southerly side of Campbell Avenue between North Union Avenue and Los Gatos Creek from an R-1-B-D zone to an R-4 and C-2 zone.

NOTICE IS HEREBY FURTHER GIVEN that the Commission did set certain times and places for public hearings on said proposed amendments at which times and places any and all persons interested in said proposed amendments may appear and be heard thereon, which times and places are as follows, to-wit:

At the hour of 2:30 P.M. on the 7th day of June, 1950, in the Board of Supervisors Chambers at the Court House, San Jose, California.

At the hour of 2:30 P.M. on the 5th day of July 1950, in the Board of Supervisors Chambers at the Court House, San Jose, California.

SANTA CLARA COUNTY PLANNING COMMISSION
PATRICK H. PEABODY
Chairman.

KEEP OUR VALLEY GREEN

A Few Selfish Downtown San Jose Interests Seek to Confuse the Vital Issue Of The County Government Center

HERE ARE THE FACTS, THE ENDORSEMENTS AND THE PEOPLE BACK OF THIS MONEY-SAVING AND TIME-SAVING PROPOSAL WHICH YOU ARE ASKED TO ENDORSE ON THE JUNE 6 BALLOT:

A FEW SELFISH DOWNTOWN SAN JOSE LANDLORD & PARKING LOT INTERESTS HIDING BEHIND A DUMMY COMMITTEE ARE ON THE MARCH WITH LIES AND MISSTATEMENTS ABOUT THE VITAL COUNTY GOVERNMENT CENTER ON YOUR BALLOT JUNE 6 FOR APPROVAL BY THE VOTERS.

THEY WANT TO KEEP TRAFFIC CONGESTED IN THE DOWNTOWN AREA. THEY ARE PUTTING THEIR OWN PROFITS AHEAD OF SANTA CLARA COUNTY'S PROGRESS AND THE POCKETBOOK OF THE TAXPAYER.

NATURALLY THEY SAY THE COUNTY GOVERNMENT CENTER WILL COST THE TAXPAYER MONEY. THAT'S ALWAYS AGOOD GAG IN POLITICAL ADVERTISING.

NOTHING IS FARTHER FROM THE TRUTH. NO BOND ISSUE IS NEEDED FOR THE COUNTY GOVERNMENT CENTER. NO EXTRA TAXES ARE REQUIRED. THE PROJECT IS FINANCED OUT OF THE COUNTY BUILDING FUND, NOW TOTALING \$900,000 & ACCUMULATING AT \$150,000 PER YEAR.

Further than that, due to blocks set up by this same group of selfish interests two years ago, the county had to waste over \$100,000 last year alone in makeshift buildings which is money poured down the drain.

The county government center will provide ample space for all buildings needed to serve the needs of government. You will be able to go to one place with ample FREE parking space for any and all of your government business. So you save time as well as money if you vote for this worth-while proposition. No more plodding through downtown traffic. No more parking meter troubles. No more waste of gasoline. No more short tempers. More time for business and recreation.

That's why a far-seeing county and city government bought the 66-acre site at First and Rosa. San Jose is the only city in the country with space like that within the city limits. Why not use it?

We, the undersigned citizens of Santa Clara County from various walks of life, endorse the county government center. We're not ashamed to reveal our names. Moreover, the following representative city and county groups endorse it, too.

SO—save time . . . save money, by following the advice of these people and your own good judgment.

VOTE YES COUNTY GOVERNMENT CENTER ELECTION JUNE 6

POPULAR RECORDS: The happy polka HOOP-DEE-DOO rolls along at a merry pace with more and more artists adding their version to the many selections already available. Kay Starr's throaty warbling plus Frank DeVol's orchestra makes for one of the best versions yet (Capitol 950). This infectious ditty thrives on the jazz treatment Kay gives it and bounces along with a lift.

The latest George Shearing Quintet disc, "Till Remember April" (MGM 10687) leaves me cold. This light instrumental seems to fall short, a good record to put on and not listen to.

Another revived "oldie", the ever-lovin' "Bewitched" gets a smooth treatment via Bill Snyder and his orchestra (Tower 1473). The piano seeps through in a mellow fashion, definitely a moon-in-June tune. If you must have your popular music with a vocal the velvet tones of Mel Torme do justice to this sentimental ballad (Capitol 1003).

In the morbid vein is T. Texas Tyler's tender sorrowful recording, "A Colored Child's Funeral" (Four Star 1446). This is a very effective disc with a powerful story behind it but I found it too depressing. A good antidote to T. Texas Tyler's mournful ditty is "Tiddley Winkie Woo" (Decca 27005). This gay and fanciful novelty is guaranteed to chase the blues away. Guy Lombardo's orchestra with Kenny Gardner and the Lombardo Trio utilize their talents to good advantage in this happy bit of fluff.

Moaning trumpets and saxes over a syncopated bass do sensational things to the fine old spiritual "Joshua Fit the Battle of Jericho." With the title cut to just Joshua (Victor 20-3724) and a slow jump arrangement by Ralph Fraganan and his orchestra your toes will start tapping when this disc starts spinning.

CHILDREN'S RECORDS: A record jig saw game is sure to provide hours of wholesome fun for the sand-pile set. "Fun On The Farm" (Columbia MJV 53) contains a 10 inch non-breakable record plus a jg saw puzzle of familiar farm animals. Jerry Wayne narrates the story and sings the songs in a pleasing way. A record that provides other activity beside listening will be of greater value to your child both from the entertainment and educational standpoint.

CLASSICAL RECORDS: The record collector is confronted with three distinct problems—repertoire performance and the actual physical quality of the disc itself. The tremendous repertoire of recorded music makes it difficult for the collector to decide where to start in building a record library. When the budget is limited the problem of what to buy first becomes even more difficult. He cannot afford to invest in a composition whose listening qualities will not wear well. There are staples in the realm of music just as there are staples in the realm of food or clothing. The composition to own is the one that is more satisfying at the hundredth hearing than it was at the first hearing.

After the selection is decided upon the problem of performance confronts the collector. Most of the staple items of repertoire are available by many artists, conductors and orchestras and often on several labels. Too many of us are inclined to depend heavily on certain favorite conductors or artists, not realizing that even the greatest musician is not capable of interpreting the music of all composers with the same understanding and depth of feeling. When an artist has specialized in the music of certain composers, his interpretation will be more authentic than the artist who has only tried one or two compositions by a composer.

The problem of record quality still remains to be solved and it is complicated by the type of record player the collector owns. Try when ever possible, to listen to the recording on a player of similar quality to the one you own.

In reviewing records I endeavor to tell you about the items of staple diet and also some of the more exotic fare to add spice to your listening pleasure. A well balanced library, however small, will contain music for casual listening as well as the great masterpieces.

The "Beethoven: Fifth Symphony" is a cherished work among record collectors. There are numerous recordings available by various orchestras and conductors and on all three speeds. The latest recording of this Symphony

Labor, Farm Bureau Endorse Hornbuckle

The United AFofL Political and Educational Committee of Santa Clara County has officially endorsed Sheriff Howard Hornbuckle for re-election at the primary election on June 6, according to a joint statement from Anthony Aguillo, president, and James P. McLaughlin, secretary treasurer, of the organization. The endorsement is "in recognition of Sheriff Hornbuckle's impartial enforcement of the law."

Another endorsement of Sheriff Hornbuckle's activities is that of the Santa Clara County Farm Bureau. In a letter from Frank J. Polak, president of the organization, the bureau states: "Our board of directors wholeheartedly endorses the youth program which was initiated by Sheriff Hornbuckle and is being carried on by his office. They feel that a program of this kind is badly needed and it has proved that with proper guidance, the youth of our country do not get into as many difficulties as they do otherwise."

In the Mountain and Pacific States 70 per cent of the crop production comes from irrigated lands is by the Philharmonic-Symphony Orchestra of New York with Bruno Walter conducting (Columbia ML 4297). However, I found Walter's interpretation lacking in dramatic impact, it seemed to drag and was overly sentimental. The technical quality of the recording is excellent, however. Personally, I prefer the Koussevitsky reading of this Symphony (Victor WDM 1313).

WHO's behind Mancuso's* new Freeholder Committee?

★ ★ ★

Is the same small group of County Employees who so bitterly fought the adoption of the Charter in 1948 behind the New Freeholder Committee? Is it the same selfish group who attacked the Charter on a technicality in the Courts... after it had been approved by the voters?

How were the New Freeholder Committee candidates selected? Were they "hand-picked" by Pete Mancuso and a few of the other boys in the Court House who have bitterly opposed improved, efficient, democratic County Government?

If the Court House "Machine" is not behind the New Freeholder group, how does it happen that the county employees were "requested" to circulate nominating petitions for the New Freeholder candidates?

Is this supporting group bent on placing the interests of "certain" county officials and county employees who fear responsible, efficient, tax-saving county government above the interests of the 270,000 citizens of Santa Clara County who pay their salaries?

* Mr. Mancuso led the opposition to the 1948 Charter prior to its adoption by the voters. He attacked the Charter on a technicality in the Courts, organized the New Freeholder Committee and is a candidate for Freeholder. Mr. Mancuso is president of the County Employees Association.

"JACK ANDERSON

Is The

Champion

of

California FARMERS"

This district has an income of \$200,000,000 from Agriculture and related industry. Jack Anderson has fought the Eastern Farm Bloc successfully for fair treatment of our California Specialty crop.

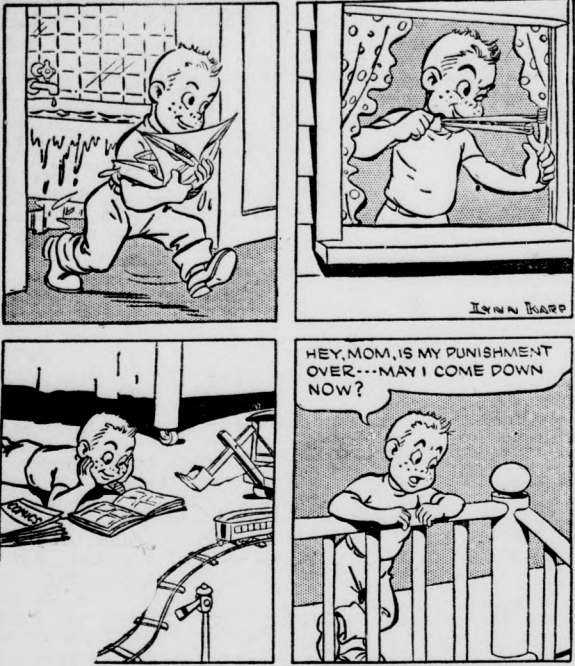

He has been Chairman of the Agricultural Committee of the California Congressional delegation since its beginning, and has given unstinting time to our problems.

No one other Representative has done more for our farmers than Jack Anderson. What he has done is reflected in the prosperity of this entire district. There is no mistake, Jack Anderson is Champion of the California Farmers.

Local Man Hurt

A three-car crash on the Santa Cruz Highway last weekend resulted in major injuries inflicted on two Campbell men. They are Marshal Knight, 29, and Donald Hanson, 27.

BUCS TIE THIRD IN SCVAL STANDING

Bucs ball men tied for third place in the SCVAL with Live Oak by taking a 7-1 win from the Los Gatos Wildcats recently in the final baseball game of the season. Campbell Moundsman John Oldham struck out 13 and allowed two hits.

Campbell score for the SCVAL season was 5-3.

Week day services and classes at 81 E. Latimer, Campbell, Cliff Winters, Minister.

ASSEMBLIES OF GOD—IOOF hall, Rev. Herbert L. Johnson, pastor. Sunday school, 9:45 a.m. Worship at 11. Evangelistic, 7:30 p.m.

More than 80 per cent of California's apple production is centered in the Sebastopol and Watsonville areas.

Boy Scout News

Those Boy Scout patrols which attained the highest ratings of "Blue Streamer" at the district camporees attended a Council Camporee last weekend held at Mt. Madonna Park by the Santa Clara County Council of Boy Scouts.

Practical experience was gained by the scouts in organizing exploring parties when they joined in a search for a six-year-old boy who wandered off from a church picnic in the park. Working in conjunction with the sheriff's office, the scouts covered a large area in hunting for the boy who was finally spotted by a motorist on the Hecker Pass Highway.

The weekend program consisted of setting up camp, cooking meals, and participating in such scout activities as log-chopping contests, rescue rope-throwing, log-raising, string-burning, and fire-building.

Sigma Sigmas Welcome Next Year's Officers

Outgoing officers were given a vote of thanks and incoming officers were installed by Irene Strong, president of the Sigma Sigma society, when they met Tuesday, May 23. Alice Newcomb and Marian Parker were hostesses at the meeting.

New officers for the coming year are as follows: Genie Smith, president; Josephine Henley, vice-president; Ella Elkey, secretary; and June Strong, treasurer.

The club's annual picnic will be held this year at the home of the Walter Williamses on Quito Road, Tuesday, June 13, at 6:30 p.m. Irene Strong, Carol Evans, and Josephine Henley are committee members in charge of the affair.

Those members who have not been contacted regarding a new project instigated by Phoebe Davis, chairman of the Sunshine Committee, are asked to contact her by Saturday, May 27.

Also on the list of club activities is a rummage sale to be held sometime in the summer.

JAMES MUSSATTI, S.F., Gen. Mgr., State C. of C.—"The best kept secret in the United States is the tax total—taxes collected last year totaled \$55 billion, \$23 billion more than the wartime peak tax load!"

a pot-luck picnic in Los Gatos Park.

FRIDAY, JUNE 2
Agricultural Extension Service at Methodist Church parish house at 11:30 o'clock.

Orde of Eastern Star will entertain with a program in IOOF Hall.

CAMBRIAN HOME & SCHOOL CLUB—1:30 to 3:30 p.m., Cotton Fashion Show, school auditorium.

WATER CAN'T WAIT

For three years we have talked about our current water shortage. For three years we have pumped 60,000 acre-feet more water out of this valley annually than we have put back in . . . Each day more wells go dry . . . Each day more underground storage space is forever lost.

EVEN IN THE MINUTE IT TAKES YOU READ THESE WORDS, WE ARE DRAINING ANOTHER ACRE-FOOT OF WATER FROM OUR UNDERGROUND SUPPLIES!

The Time for TALK is Past . . . We Must ACT!

WE CAN ACT NOW

There are three practical steps that can be taken NOW to meet the immediate emergency:

1, Push NEGOTIATIONS to get the 35,000 acre-feet of water in Calaveras Reservoir. San Francisco no longer needs it. The water comes from our Mt. Hamilton water shed. It could flow back here by gravity through Niles Canyon. IT CAN BE GOTTEN THIS YEAR BY UNITED ACTION.

2, START PLANS at once to use the 26,000 acre feet of water from San Jose's treatment plant, so it will be available AS SOON AS the plant is completed in 1952.

3, HASTEN STATE ACTION to build San Lucas dam in the Salinas River basin, which would bring 50,000 acre-feet of water not needed there by gravity canal up the length of this valley.

Don't Take Excuses

Every construction season we waste in talk, in waiting for more surveys, sees us go 60,000 acre-feet farther "in the red" in the northern half of this valley . . . 70,000 acre-feet in the Gilroy area.

CANDIDATES WHO SAY "LET'S WAIT UNTIL NOVEMBER FOR THE STATE WATER SURVEY" ARE ADMITTING THEY CAN'T ACT. MAJOR FINDINGS OF THAT SURVEY ARE ALREADY KNOWN.

CANDIDATES WHO SAY IT'S "CRACKPOT TO PLEDGE ACTION NOW, ARE NOT THE MEN TO LEAD, TO REPRESENT AND TO PUSH THROUGH ACTION IN SACRAMENTO.

Catherine Bann, Ralph Bogner Exchange Vows At St. Lucy's

Catherine Jean Bann, daughter of Mr. and Mrs. Nick Bann of Campbell, became the bride of Ralph Bogner at a nuptial mass performed recently at St. Lucy's Church by the Rev. Denis Kennelly. The bridegroom is the son of Mr. and Mrs. Louis Bogner of Pollard Road.

The bride wore a floor length dress of white marquisette accented with lace inserts. Her veil was of fingertip length, and she carried a prayer book on which was an orchid with bouvardia streamers.

Mrs. Edward Stojanovich, the matron of honor, was attired in green marquisette and carried a bouquet of baby orchids. Bob Bogner of Los Angeles was his brother's best man.

Following the wedding, a reception and buffet supper was held at the Elks Hall in San Jose, for 200 friends and relatives of the young couple. The tiered wedding cake on the bride's table was surrounded by gardenias. Cut glass candelabra flanked the cake.

Woman's Guild Ends Meetings With Luncheon

The last meeting of the Woman's Guild of the Campbell Congregational Church, a pot-luck picnic, will be held Thursday, June 1, at Los Gatos Park.

Group two will be hostesses at the picnic and will arrange for the coffee and French bread which the Guild will furnish.

Members needing transportation will meet at the church at 12:00 where cars will be waiting.

Pomona Home Ec Mt. View Club Hold Affair

Santa Clara County Pomona Grange Home Economics Club met May 22 at the Women's Club on San Antonio Road with the Mountain View Club as hostesses. A potluck dinner at 12 o'clock preceded the business meeting. Tables were decorated with sweet peas and maypoles.

Chairman Florence Sheffer presided and told of her visits to other clubs, including the Contra Costa County Pomona at Walnut Creek, the Amador-El Dorado Pomona at Gold Hill Grange and the First District H.E.C. at Redding. National Flora Mrs. Elizabeth Sehmeyer and State H. E. chairman Mrs. Mabel Glenn were also guests at these affairs. The meeting at the Amador-El Dorado club was at the home of Mrs. Corinne Miller near where gold was discovered in California. Mrs. Miller first produced the Gold Hill iris which has been shown at many fairs, according to Mrs. Sheffer.

State Assemblyman Jack F. Thompson was introduced by Elsa Swanson of Mt. Hamilton Grange and gave an interesting talk on legislation and the water program, telling of his part in making possible the building of the Lexington and Anderson dams and other potential sources of water for Santa Clara Valley. Mrs. Swanson presented plans for the Grange strawberry shortcake booth at the coming County Fair and asked all subordinate H.E. Clubs to take part. Each chairman of subordinate clubs gave reports on the various projects. Stuffed animals and dolls were presented by various groups for the Golden Rule Committee to distribute to children at the County Hospital. Lula Bell King, the chairman, said she was pleased that the members were visiting the elderly ladies and taking them flowers and cheer.

Entertainment was furnished by the Mountain View club and included piano and vocal numbers by their members.

The June meeting will be held in the Morgan Hill Grange Hall with Morgan Hill H.E.C. as hostesses.

Students Plan Music Picnic

Members of the two glee clubs and the school orchestra of the Campbell Union Elementary school, will enjoy a picnic June 2 from 10:30 a.m. to 3 p.m. Place for the picnic has not yet been decided upon, but a good time is anticipated by the youngsters regardless of place.

Try the CLASSIFIEDS.

Senior Reception 'Evening In Paris'

June 2 has been set as the date of the annual Campbell Union High School Junior-Senior reception, with the formal affair to be held in the Scottish Rite Temple in San Jose. Buddy King's orchestra has been engaged for the dance, which will begin at 9 p.m. Frank Mantia, president of the junior class, is in charge of the reception with Barbara Shockley as chairman of decorations. Bids are being handled by Paul Sakamoto, while refreshments will be served by members of the Future Homemakers class.

"Evening in Paris" has been chosen as the theme for the evening.

TO FRESHEN iced cake, place in a warm oven for a few minutes and the cake will freshen and soften while the icing takes on a pleasing glaze.

Angel Food Cake is easily cut with a length of silk sewing thread. Stretch the thread tight, and with a gentle, sawing motion, cut the cake. Mix cream or cottage cheese with a bit of mint jelly or a drop of mint flavoring and stuff the mixture into prunes. These may be used as a salad or a meat platter garnish.

RECIPE OF THE WEEK

Date Bread
(Makes 1 loaf)

1 cup pitted, chopped dates
1/2 teaspoon soda
1/2 cup boiling water
1 tablespoon shortening
1/2 cup sugar
1 egg
1 1/2 cup sifted flour
1 teaspoon baking powder
1/4 teaspoon salt

Mix pitted, chopped dates with soda and boiling water; let stand 20 minutes. Beat shortening, sugar and egg together. Sift dry ingredients together and add alternately to dates with the sugar mixture. Pour into a greased bread pan (8 1/2 x 4 1/2 inches) and bake in a moderate (350° F.) oven for 50 minutes.

Rhubarb is easily cooked in the oven. Place the cut pieces in a baking dish, cover generously with sugar and bake in a moderately hot (400° F.) oven for 25 to 30 minutes.

To make perfect tart shells, place the pastry in small tins, then place another tin on top of the pastry. Bake the pastry between these tart tins for the first few minutes, then remove the top pan and allow the shells to brown.

Mix one tablespoon of crushed pineapple with one cup of apricot whole fruit nectar. Sweeten to taste and thicken with cornstarch, then serve hot or cold on cakes or puddings.

Grind leftover ham and form into patties, top with a slice of pineapple, then a sweet potato patty. Cover with a strip or two of bacon, then broil until bacon is crisp. This makes a nice easy entree.

Lima beans are delicious if they are flavored with sausage drippings as well as salt and pepper.

Mrs. Steindorf Named BPWC Delegate

Twenty-six members were present at a dinner meeting Wednesday, May 23, of the Campbell Business and Professional Women's Club at the Presbyterian church. During the meeting committee heads and members of committees were announced by President Mrs. Cecile Schad.

Mrs. Gwen Steindorf, past president, was elected delegate from the club to attend the national convention to be held in San Francisco. Elected as alternate was Mrs. Dorothy Ellis, vice president. Mrs. Betty Stoner reported that 23 members attended a party at the Veterans' Hospital in Palo Alto on Monday, May 15.

Reports on the state convention held in Santa Barbara May 19-21 were made by Mrs. Dorothy Ellis, Mrs. Doris Jensen and Mrs. Gwendolyn Steindorf who attended as delegates. Guest for the evening was Mrs. Ira Grim. During the evening Mrs. Louise Tordt, publicity chairman, spoke on the highlights of publishing a school paper.

A board meeting will be held Wednesday, June 7, with the next regular meeting scheduled for Wednesday, June 14.

Dinner Tonight

The official visit of Great First Runner Sharon Parker as a representative of Great Pocahontas Mary D. Hamilton will be celebrated tonight at a dinner in the Prime Rib Restaurant by Netops Council, Degree of Pocahontas.

A business session and reception for the great officer will follow at 8 o'clock in Campbell IOOF Hall.

The degree will be exemplified for new affiliates of the order and nomination of officers will take place.

Music Festival Planned For June 8 at CUGS

Music will be in the air Thursday evening, June 8, when the boys and girls glee clubs and the orchestra of the Campbell Union Grammar school will present a special music festival program in the school auditorium for the purpose of raising money to purchase robes for the boys glee club.

Tickets will be sold by the students and will cost 50 cents for adults and 35 cents for children. The hour long program will feature numbers by the girls glee club under the direction of Mrs. Lillian McCall with Evelyn Rozema at the piano. Ben Ziegler will direct the boys glee club, accompanied by Calvin Roll, while several numbers will be played by the grammar school orchestra under the direction of Richard Gordon.

CAMPBELL REGISTER

MRS. ELMER JONES, Giles Way, Campbell, was recently employed as a saleswoman at the Fabric Center, 32 East Campbell Avenue.

MR. AND MRS. CHARLES FREUDE, Campbell, motored to Reno last weekend to visit cousins MR. AND MRS. FRED COSBY. The BERNARD GALLOWAYS, also of Campbell, accompanied them on their sight-seeing and visiting itinerary.

Little BILLY SHEEDER, son of MR. AND MRS. HARVEY SHEEDER, who was reported to be minus some teeth and plus some stitches last week after having been hit with a playground swing, went to San Jose Hospital Monday, May 22, for a tonsillectomy. Four-year-old Billy appears to be having his youthful fill of hospitals these days.

JUDY SHEEDER, other child of the HARVEY SHEEDERS, has gone to Salix, Pa., with her uncle and aunt, MR. AND MRS. G. H. MILLER of that city, who were out here recently for a convention. She will come home alone by aeroplane. This makes Judy's fourth aeroplane trip alone although she is only eight years old.

MR. AND MRS. JOE AGOSTINHO motored to Mojave, Calif., last weekend to visit their son and daughter-in-law, CAPTAIN AND MRS. ROBERT AGOSTINHO. Captain Agostinho is being transferred soon to Houston, Texas. Seven-year-old Barbara Ann, the daughter of the younger Agostinhos, is staying with her grandparents here in Campbell for a while until her parents are permanently settled in Texas.

RELFE S. EHRET, Campbell, and ANGELO BUTERA, Saratoga, won first place in the advanced

and regular groups, respectively, of Cameraderie Club's black and white salon competition in San Jose Calvary Methodist Church last week.

An executive board meeting of Campbell High School's Parent-Teacher Association will be held Wednesday, May 31 at 10 o'clock, at the home of MRS. LBEN HOWARD, 18 North Milton Avenue. A luncheon will be served at the close of the business meeting.

MRS. JOE CABRAL, MRS. ROSE CABRAL, and ROSE WALJEN took advantage of the recent visit of their friend, KATIE MADERIS of the Hawaiian Islands, to combine showing her the sights of California and enjoying a pleasure trip, when they motored to San Diego Thursday, May 18. There the ladies took in such sights as the San Diego zoo and then went on to Tia Juana to see a touch of "old Mexico."
